

53rd Conference of the IC:
"Graphic Communication education - Future orientations"
19-21st September 2022

Call For Papers

The International Circle of Educational Institutes of Graphic-Media Technology and Management is pleased to announce the organization of its 53rd International Conference. The conference is jointly organized with iarigai by Clemson University in Greenville, South Carolina, USA, in September 19-21, 2022.

Participants who want to present a paper at the conference should submit an abstract (app. 300-500 words) containing 3-5 keywords. The abstract should be sent at the conference co-chair, Dr. Chrysoula Gatsou, at: cgatsou@uniwa.gr. The scientific committee of the conference will review the received abstracts and select papers to be presented at the conference.

All submitted papers must be original, new, independently written by the authors and not published before anywhere else.

The topics of this year's conference include:

- Graphic Communication & Media Education
- The future of Print Education
- Curricula reforms and advances in Graphic Communication - Printing and Packaging Education
- The educational process in the pandemic situation - challenges for the graphic communication Universities and educational organizations
- Distance learning - structures and quality of education
- Implementation of education for the Creative-Culture Industries
- Competence Structures & Student / Graduate Recruitment
- Printing Technology & Quality: Fundamentals and Advances
- Management, Workflow & Industry innovations

- Prepress-Premedia & Cross Media Technologies
- Digital Printing & Printed Electronics
- Printing Materials & Packaging
- Color and Color Management // UX-UI-Interaction Design // Graphic Design

The deadline for submitting an abstract (300-500 words) is **March 31st, 2022**.
