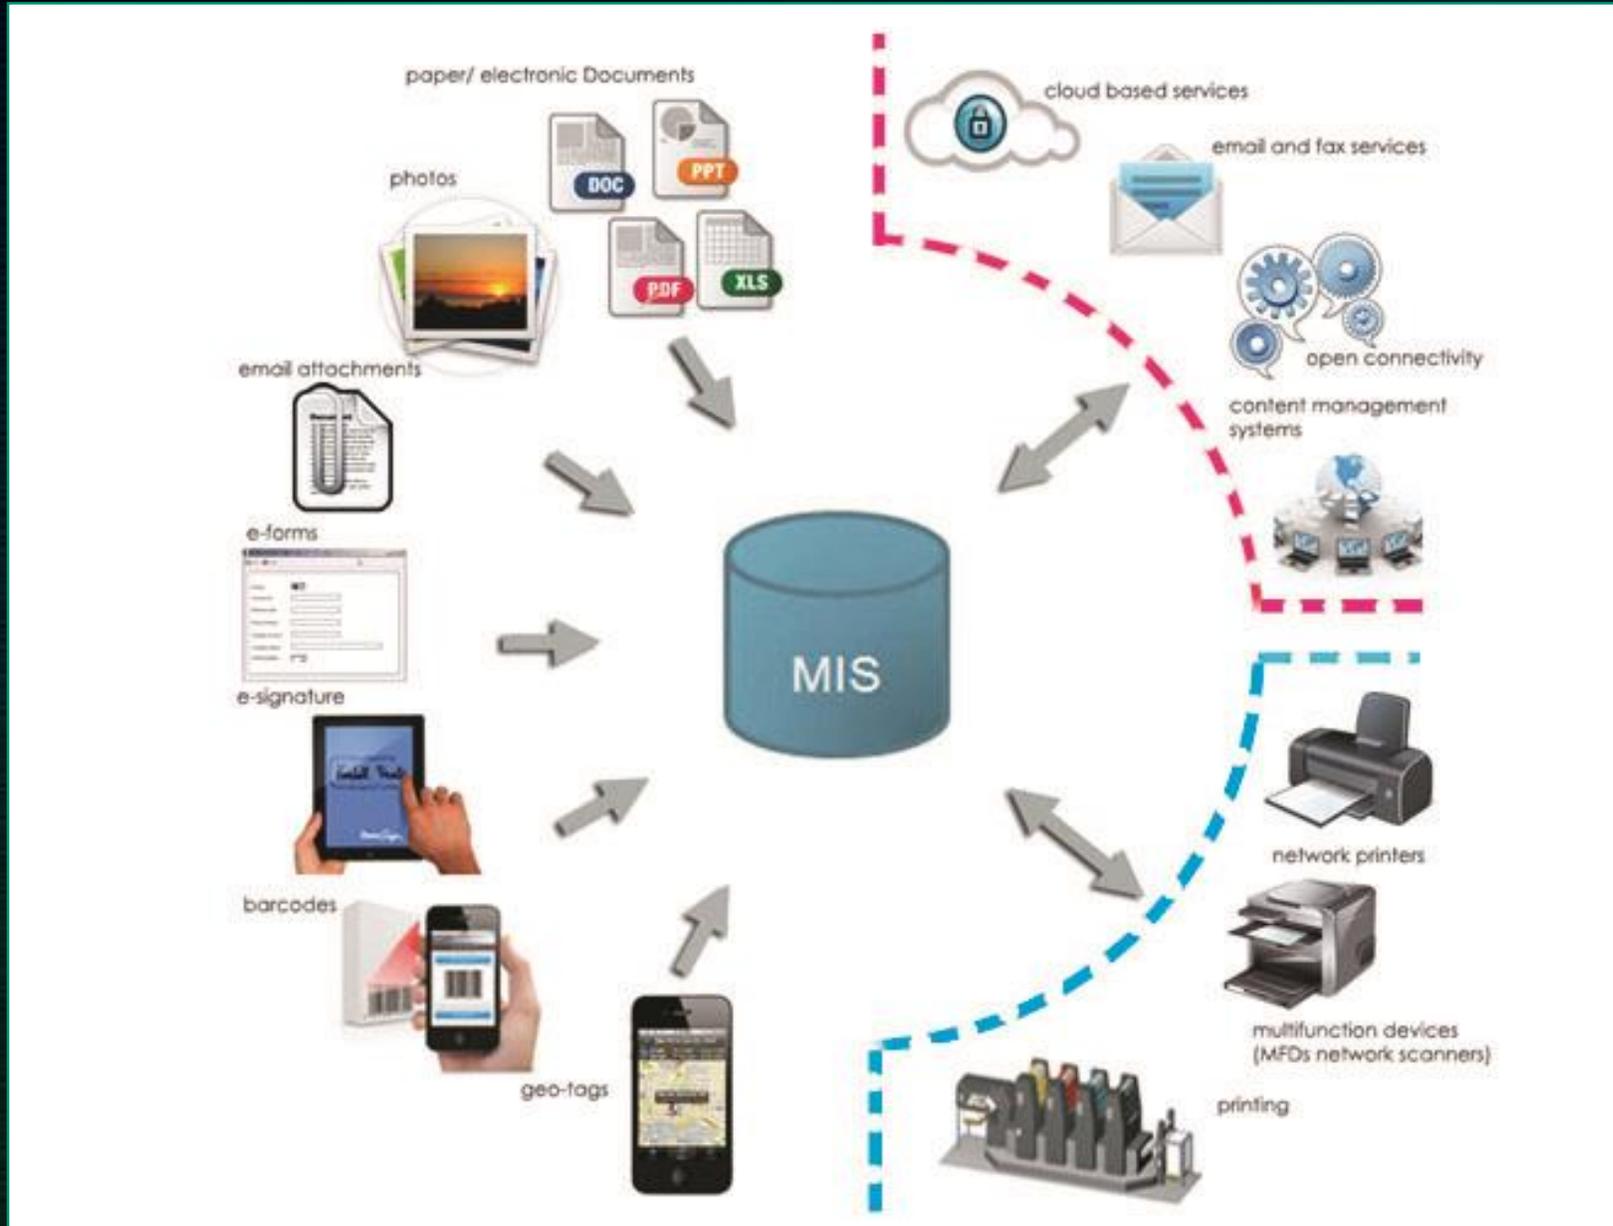

Graphic Arts management system

The screenshot displays a software interface for managing graphic arts production. The main window shows a 'Press Sheet' layout for 'CA_POG208744_01_09_4_4_250_14PT_RUSH+EU_'. The layout is a grid of colored blocks (pink and yellow) representing different components, with dimensions and part numbers visible. The interface includes a 'Contents' panel on the left, an 'Assembly Block Inspector' on the bottom left, and a 'Table' at the bottom.

Contents Panel:
